Section 1: Reading Comprehension (6 marks): Read the paragraph below and answer the questions:

Dana: Hi, Mei. What's up?

Mei: Hey, Dana. I saw in your blog that you visited the Monument in London.
What did you think?

Dana: I thought it was brilliant. Look, here's a picture I took.

Mei: That's amazing! I know that it's a monument to remember the Great Fire of London, but I don't know much else about it.

Dana: Well, it's a tall tower with a gold ball at the top. It's a few meters away from where the fire started in 1666.

Mei: I didn't know that. How did the fire start?

Dana: Well, there was a bakery on Pudding Lane and the fire started in an oven.

The houses in London used to be wooden, so the fire moved from house to house very quickly.

Mei: Oh, no! That's awful! Then what happened?

Dana: The fire burned for four days because there was no fire brigade.

Mei: So what did people use to do when there was a fire?

Dana: Well, they didn't use to be able to call the fire brigade like we do now, so they just used to throw buckets of water over fires.
