Question 1: Reading Comprehension (5 Marks)

Read the paragraph below and answer the questions:

An amazing city in the UAE, Masdar City is a special new neighbourhood in Abu Dhabi, the capital of the United Arab Emirates. The designers are creating houses and buildings that are all new. The buildings do not use much energy because they use traditional materials. In the UAE, mosques used to be made of earth from the ground. We usually build new mosques using stone, but they used the same earth as traditional mosques to build the new Masdar City mosque. The mosque also produces all the energy it needs using solar panels which take energy from the sun.

Questions:

1. Where is Masdar City located?
